## SHEETLA VIDYAPEETH

“The influence of a mother in the lives of her children is beyond calculation.”

To celebrate the everlasting bond of love and affection on the eve of the Mother's Day, several activities starting with Saraswati Vandana were organized for students from pre-primary to middle years at Sheetla Vidya Peeth on 13<sup>th</sup> May 2023. Mothers were also involved in the activities with the children. In pre-primary wing under the theme 'Motherhood', children danced with their mothers while dedicating the song to them. Additionally, a play on the importance of mothers was enacted to show their unconditional love and care for their mothers. The main idea was to highlight the importance of mother in the life of a child and to make our mothers feel special.

The well-known personality, Ms. Monolisha Mahapatra graced the occasion with her benign presence. She blessed all kids and wished all mothers 'A Happy Mother's Day'.

To make the celebration more special, mothers of students were invited to the school to be a part of the colorful celebration.

On the theme of 'Mother's Love and sacrifice', special songs, dances, drama and poetic recitation were presented. The heartfelt and stellar performance of the students was a flash of reckoning for the mothers to introspect on the huge influence and vital role one has to play in a child's life

The Principal addressed the mothers by saying that 'A mother's heart is fearless and she sacrifices her own pleasures for the welfare of the family. She advised the students that they should give respect and love to their mothers and thank them for all that they have done to make their lives easy and delightful.
