Dec- Jan 2024
Grade V

DEC Recap...

- We learnt about our Lord and His son, Jesus Christ! and the spirit of Christmas!
- ...about the unmatched bravery and sacrifices of Baba Zorawar Singh and Baba Fateh Singh.
- It was great to learn how gratitude is a crucial part of our lives!
- Learnt the difference between Facts and Opinions
- We had endless fun and excitement at the Rungmanch Farms!

INCLINE PLANE ACTIVITY

A simple machine consisting of a sloping surface, used for raising heavy bodies.

The force required to move an object up the incline is less than the weight being raised, discounting friction. The steeper the slope, or incline, the more nearly the required force approaches the actual weight.
