U.K.G

🎵🌟 SOLO DANCE COMPETITION 🎵🌟

DEC Recap...

- We learnt about our Lord and His son, Jesus Christ! and the spirit of Christmas!
- We enjoyed Solo Dance, where we showcased our talents with captivating performances!
- Students engaged in the Topper Pencil Activity, learning about different types of pencils and their uses. They explored various pencil tips while practicing their drawing and writing skills. This fun and educational activity enhanced their fine motor skills and creativity.
- Show and Tell was endless fun, presenting various interesting objects and topics. We learned to express ourselves confidently and share knowledge with our peers.

Our little stars were so excited to perform in the fun-filled solo dance competition for our Kindergarten. It was mesmerizing to see them show off their moves as they shone on the stage. It was amazing to see our tiny dancers twirl and sway!
